

Appendix

The relevant text of each statute containing terms with duplicative definitions that have been added to the new definition section in N.J.S. 26:1A-1, including proposed modifications (proposed additions are shown with underlining, proposed deletions with ~~strikethrough~~), follows:

N.J.S. 26:1-1. Terms defined

As used in this Title unless otherwise specifically indicated:

~~“State department,” “department of health” and “department” mean the State Department of Health;~~
~~“Commissioner” or “Director” means the State Commissioner of Health, who is the chief administrative officer of the State Department of Health;~~
~~“Council” means the Public Health Council in the State Department of Health;~~
~~“Division” means one of the divisions in the State Department of Health;~~
~~“Division director” means the director of one of the divisions in the State Department of Health;~~
~~“Local board” or “local board of health” means the board of health of any municipality or the boards, body, or officers in such municipality lawfully exercising any of the powers of a local board of health under the laws governing such municipality and when, pursuant to law any local board of health is superseded by a consolidated local board of health or a county local board of health, and the functions, powers and duties conferred and imposed by this Title upon such local board of health shall thereupon be transferred to, and exercised and performed by, such consolidated local board of health or county local board of health, as the case may be, the term “local board of health” or “local board” as used in this Title shall thereafter be deemed to mean and include such consolidated local board of health, or county local board of health so far as relates to the exercise of such functions, powers and duties.~~

Comment

The substance of N.J.S. 26:1-1 is proposed for removal in its entirety to consolidate the definition sections contained therein, and in N.J.S. 26:1A-1, in order that an easily identifiable and broadly applicable definition section appears at the beginning of Title 26 (Health Act).

N.J.S. 26:1A-1. Definitions

As used in this act, unless otherwise specifically indicated, ~~“State Department,” “Department of Health” and “department” mean the State Department of Health;~~

“Adult” means an individual who has reached majority pursuant to section 3 of P.L.1972, c. 81 (C.9:17B-3).

“Alzheimer’s disease and related disorders” means a form of dementia characterized by a general loss of intellectual abilities of sufficient severity to interfere with social or occupational functioning;

“Birthing facility” means an inpatient or ambulatory health care facility licensed by the Department of Health that provides birthing and newborn care services;

“Contagious disease” means an infectious disease that can be transmitted from person to person;

“Commissioner” or “Director” means the State Commissioner of Health who is the chief administrative officer of the State Department of Health;

“Council” means the Public Health Council in the State Department of Health;

“Covered person” means a person on whose behalf a carrier offering the plan is obligated to pay benefits or provide services pursuant to the health benefits plan;

“Division” means one of the divisions in the State Department of Health;

“Division director” means the director of one of the divisions in the State Department of Health;

“Hospital” means a general acute care hospital licensed pursuant to P.L.1971, c. 136 (C.26:2H-1 et seq.);

“Infectious disease” means a disease caused by a living organism or other pathogen, including a fungus, bacteria, parasite, protozoan, virus, or prion. An infectious disease may, or may not, be transmissible from person to person, animal to person, or insect to person;

“Local health agency” means any county, regional, municipal or other governmental agency organized for the purpose of providing health services, administered by a full-time health officer and conducting a public health program pursuant to law;

“Local board” or “local board of health” means the board of health of any municipality or the boards, bodies or officers in such municipality lawfully exercising any of the powers of a local board of health under the laws governing such municipality, and includes any consolidated local board of health or county local board of health created and established pursuant to law;:-

“Local registrar” or “registrar” means the local registrar of vital statistics;

“Long-term care facility” means a nursing home, assisted living residence, comprehensive personal care home, residential health care facility, or dementia care home licensed pursuant to P.L.1971, c. 136 (C.26:2H-1 et seq.);

“Medicaid” means the New Jersey Medical Assistance and Health Services Program established pursuant to P.L.1968, c. 413 (C.30:4D-1 et seq.);

“Medicare” means the program established by the “Health Insurance for the Aged Act,” Title XVIII of the “Social Security Act,” Pub.L. 89-97, as then constituted or later amended (42 U.S.C. s.1395 et seq.);

“Person” means a natural person, partnership, association, agency, corporation, organization, institution, agency, trusts, or other similar entity;

“State” means a state of the United States, the District of Columbia, Puerto Rico, the United States Virgin Islands, or any territory or insular possession subject to the jurisdiction of the United States;

“State registrar” means the State Registrar of Vital Statistics;

“State Department,” “Department of Health” and “department” mean the State Department of Health;

“Substance use disorder” means a disorder defined to be consistent with generally recognized independent standards of current medical practice referenced in the most current version of the American Psychiatric Association’s Diagnostic and Statistical Manual of Mental Disorders;

“Vital records” means the birth, death, fetal death, marriage, civil union and domestic partnership records from which vital statistics are produced;

“Vital statistics” means statistics concerning births, deaths, fetal deaths, marriages, civil unions and domestic partnerships established pursuant to P.L.2003, c. 246 (C.26:8A-1 et al.).

Comment

To create a consolidated definition section at the beginning of Title 26, modifications are proposed to this section to include “Director” as an alternative term for “Commissioner” to maintain consistency with N.J.S. 26:1-1, as well as other newly identified terms used throughout the Health Act that are defined consistently and repeatedly. The statute has also been modified to order the terms alphabetically.

- *“Adult”*

Modification is proposed to include a consolidated definition of the term “Adult.” The various duplicative definitions of this term were combined into a single consolidated definition. Two of four occurrences referenced N.J.S. 9:17B-3, which sets forth the definition of “majority” as 18 years and older, while the other two simply stated that an “adult” is 18 years or older. Therefore, the version of the definition referencing the definitional statute was used as the consolidated definition in order to account for any subsequent amendments to the definition of “majority.”

- *“Alzheimer’s disease and related disorders”*

Modification is proposed to include a consolidated definition of the term “Alzheimer’s disease and related disorders.” All of the duplicative definitions of this term used identical language.

- *“Birthing facility”*

Modification is proposed to include a consolidated definition of the term “Birthing facility.” All of the duplicative definitions of this term used identical language.

- *“Contagious disease”*

Modification is proposed to include a consolidated definition of the term “Contagious disease.” The term was defined only once in Title 26. However, the term is used repeatedly throughout the Health Act.

- *“Covered person”*

Modification is proposed to include a consolidated definition of the term “Covered person.” The duplicative

definitions of this term were consolidated to encompass the broadest and most generic version of the definition.

- *“Hospital”*

Modification is proposed to include a consolidated definition of the term “Hospital.” The duplicative definitions of this term were almost entirely identical except that the wording appeared in a slightly different order.

- *“Infectious disease”*

Modification is proposed to include a consolidated definition of the term “Infectious disease.” All of the duplicative definitions of this term used identical language.

- *“Local health agency”*

Modification is proposed to include a consolidated definition of the term “Local health agency.” The duplicative definitions of this term were almost entirely identical except that the wording appeared in a slightly different order.

- *“Local registrar”*

Modification is proposed to include a consolidated definition of the term “Local registrar.” All of the duplicative definitions of this term used identical language.

- *“Long-term care facility”*

Modification is proposed to include a consolidated definition of the term “Long-term care facility.” All of the duplicative definitions of this term used identical language.

- *“Medicaid”*

Modification is proposed to include a consolidated definition of the term “Medicaid.” The duplicative definitions of this term all referenced the program’s enabling act but were inconsistent with respect to the program’s title. Therefore, the consolidated definition of this term cites to the program’s proper name as well as the act establishing it.

- *“Medicare”*

Modification is proposed to include a consolidated definition of the term “Medicare.” The duplicative definitions of this term all referenced the program’s enabling act but were inconsistent with respect to the program’s title. Therefore, the consolidated definition of this term cites to the program’s proper name as well as the act establishing it.

- *“Person”*

Modification is proposed to include a consolidated definition of the term “Person.” The duplicative definitions of this term that were eliminated all contained an open-ended list of entities qualifying as a “person.” The consolidated definition referenced all of the terms and used “or other similar entity,” (the most common phrase among the three duplicative definitions) to denote that the list was not exhaustive.

- *“State”*

Modification is proposed to include a consolidated definition of the term “State.” The duplicative definitions of this term were consolidated to encompass the broadest and most generic version of the definition.

- *“State registrar”*

Modification is proposed to include a consolidated definition of the term “State registrar.” All but one

of the duplicative definitions of this term used identical language, and the consolidated definition used this common language as it encompassed the meaning of the differing definition.

- *“Substance use disorder”*

Modification is proposed to include a consolidated definition of the term “Substance use disorder.” Although the wording was not completely identical, the duplicative definitions of this term all cited the most recent version of the Diagnostic and Statistical Manual of Mental Disorders, authored by the American Psychiatric Association, as this term’s definitional reference, as does the consolidated definition.

- *“Vital records”*

Modification is proposed to include a consolidated definition of the term “Vital records.” The term was defined only once in Title 26. However, the term is used repeatedly throughout the Health Act.

- *“Vital statistics”*

Modification is proposed to include a consolidated definition of the term “Vital statistics.” The term was defined only once in Title 26. However, the term is used repeatedly throughout the Health Act.
